President's Message

As 2017 draws to a close, breed members can reflect on quite a busy year for South Devon. An AGM and Herd Tour hosted in Dunedin, a World Congress Tour in South Africa and the final Beef Expo to be held at Manfield in the format that we have become accustomed to with Angus and Hereford opting to hold a video auction in 2018.

I would like to take this opportunity to thank the South Devon Board and the PBB Office for their hard work throughout the year. I would also like to thank all the members who have promoted the South Devon Breed at the various A & P Shows and events around the country during the year. It was encouraging to see at this years' Canterbury A & P Show South Devon had the largest number of breed entries of all the breeds represented in the show.

Congratulations to Fraser & Sandra McKenzie for their success at the Canterbury A & P Show winning the Supreme South Devon Ribbon with Wainuku Big Time.

The venue and timing of next years' AGM is still to be finalised but could possibly be in the Wellington Region, encompassing some interesting non-agricultural visits.

Finally, I would like to wish each of you a Merry Christmas, a Happy New Year and a safe Festive Season.

"One finds limits by pushing them "
Herbert Simon

Kind regards,
RICHARD VAN ASCH President

**JOHN HOLT
OBITUARY**

Since we started putting this newsletter together John Holt from the Woodah Stud passed away.

John established the Woodah South Devon herd in England in 1968 and brought a nucleus of cattle from the stud to New Zealand in 1973 and established the Woodah Stud.

John was a great supporter of the Beef Expo, and brought many bulls to the Manawatu over the years.

John served one term on the South Devon Board of Management.

In 2016 John was awarded Life Membership of the South Devon Cattle Society during Beef Expo in Feilding (pictured here).

We would like to express our condolences to John's family.

The South Devons were represented with Wainuka, Burtergill, Loch Lomond and Java Studs all exhibiting. The quality of animals was a credit to all breeders and handlers, this was seen also when the

stock was judged in the Interbreed and All breeds classes. The weather was very much like the South Devon cattle, very settled and warm, which was appreciated by all exhibitors.

REGISTRY REMINDERS

DNA

Remember that all sires used must have a DNA profile in order to register any calf by them.

REMEMBER: Calves need to be sired by a bull with a DNA profile loaded onto internet solutions in order to be registered.

PBBnz

On behalf of the combined breeds that operate under the PBBnz umbrella, PBBnz applied for sponsorship through PGG Wrightson Ltd. We are pleased to be able to inform you we have successfully received confirmation of PGG Wrightson sponsorship to South Devon of \$1,250.

This has been secured for a three-year period.
